

COVID-19 SAFETY PLAN

Effective Date: August 1st, 2020

Scope: Visitors & Contractors

In order to ensure the safety of both visitors/contractors and Eventscape employees, guests will need to adhere to the following policies when visiting our facilities:

1. Maximum 6 visitors will be permitted to enter our facility at a time. Eventscape can coordinate multiple viewing schedules if necessary. Contact Eventscape Host to coordinate.
2. Prior to entry into Eventscape building, all visitors/contractors must confirm in email or writing that they:
 - a. Have not travelled outside of the country in the last 14 days
 - b. Have not been in contact with a confirmed or potential case of Covid-19
 - c. Are not in a high-risk group
 - d. Do not have any of the known symptoms of Covid-19
 - e. Are not awaiting test results, and
 - f. Have not been instructed by Public Health officials to remain isolated or in quarantine.

Anyone answering YES to any of the above questions may be refused entry into the building or may require additional measures to be put into place to ensure everyone's safety.

3. Visitors/Contractors will be required to wear a mask while inside our facility.
4. Visitors/Contractors will be required to disinfect hands upon entering building from outside following proper Health Canada.
5. Visitors/contractors must maintain a minimum 2-meter (6 ft) distance between themselves and other guests or Eventscape employees while inside our facility.
6. Visitors/Contractors will be required to stay within the designated visitor area when indicated. In all other travel paths, contact with surfaces should be avoided when possible.
7. Washroom use will be restricted to guest washroom.

Thank you in advance for your cooperation.
